## "I CAN DO THAT?!" SERIES

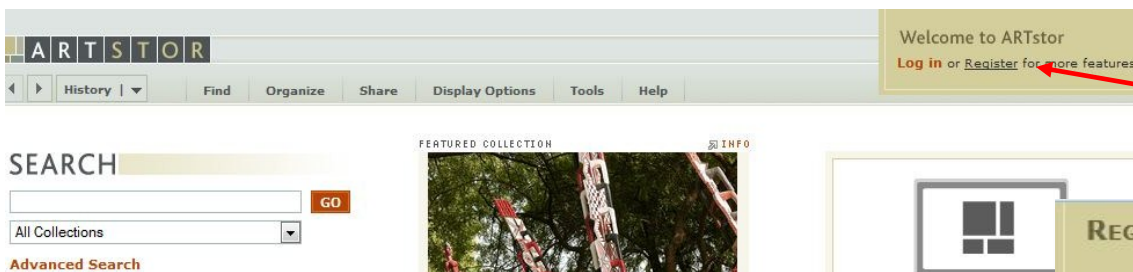

### Making an ARTstor Account

Without an ARTstor account, you can browse and print images, but in order to save images and create groups of images, you will need to create a separate ARTstor account.

- Start by creating a CWI Library account. (See our *handout "Making a Library Account."*)
  - Find ARTstor on our "Search and Find" webpage and click here (Top right of the screen)

ENTER HERE

- Click on "Register"

- Enter your CWI email address
- Create a unique password for your account
- Choose your "Role at Institution" (*usually "College/University Undergraduate Student"*)
- Choose your "Academic Department" (*your field of study or "Other"*)
- Uncheck these boxes (*If you would like information from ARTstor, leave them checked*)
- Click "Submit" and you will be logged into your new account!
