Start your career in the healthcare field as a Nursing Assistant with the College of Western Idaho Nursing Assistant program today!

Healthcare is a growing industry with continued opportunities. This is your opportunity for immediate employment, ongoing growth potential, and life-long career skills. Be on the front line of patient care providers who perform basic nursing-care services for the ill, injured, handicapped, or disabled under the direction and supervision of licensed nurses.

CWI offers two options for the Nursing Assistant program:

**Hybrid:**
- 12 weeks of online lessons
- 4 hours per week of onsite skills training (12 sessions - mandatory attendance)
- 32 hours of clinical experience

**Traditional:**
- 88 hours of classroom training
- 32 hours of clinical experience

Once your chosen class is completed, you will be prepared to take the state examination to earn your Certified Nursing Assistant (CNA) which is sought by medical profession employers.
