"Students attending public school in Idaho will be eligible for \$4,125.00 to use towards overload courses, dual credits, college credit-bearing examinations and professional certification examinations." (Idaho Code 33-4602)

Students should meet with their guidance counselor to develop a 4, 5, or 6 year learning plan that will help them maximize this benefits of this program according to the student's college and career interests. Intentional selection of coursework is a critical element of these programs.

- *Overload courses; high school credits taken in excess of the full credit load offered by the public high school, up to \$225.00 per course. Definitions of full credit load may vary between schools.*

- *Examinations; Advanced Placement, International Baccalaureate, College Level Examination Program, Professional Technical*

In order to receive Fast Forward funding, please talk with your high school counselor in order to get approved and request the funding:

General Information and Policies

Student Eligibility

Eligible students must have reached junior standing, the minimum age of 16 years prior to the end of the term in which the student enrolls, or have successfully completed at least one-half of the high school graduation requirements as certified by the high school. Students who do not meet the above criteria must complete the Sophomore by Exception Form (included in this packet) or contact the CWI Dual Credit Office.

Courses Offered

Students may take courses at their high school, on the CWI campus, or online. Courses offered at high schools will vary by school and are registered online through the Dual Enroll Portal. Students should contact their high school counselor for a complete list of courses offered. Most CWI courses, online or at any of our campus locations, are available to Dual Credit students. All course prerequisites still apply for Dual Credit students.

Placement Testing for Dual Credit Courses

Placement test scores are used to ensure students register into appropriate coursework. If you do not have previous college coursework in math and English, you will need to take the **Math Diagnostic** and **English Write Class** Assessments before you can register for any math or English course on campus or online. For math, ACT/SAT scores may supplement the Math Diagnostic depending on the score. Visit the CWI Assessment Services website for additional information testing.

Tuition and Fees

CWI Dual Credit students are charged \$65 per credit for any dual credit course, regardless of whether the course is taken at the high school, online, or on campus. Some courses may have additional fees, i.e. lab fees, supplies and material fees. Online courses do assess an additional \$10 per credit fee. Fast Forward funding will cover *tuition only*--additional fees are the student's responsibility to pay.

Textbooks and Course Materials

Although some high schools offering Dual Credit coursework may provide books and materials for their students, all materials or textbooks required for a course are the responsibility of the student.

Student Attendance, Behavior, & Performance

Students participating in the CWI Dual Credit program are subject to the same attendance and behavior policies required of all enrolled students. Disciplinary matters will follow procedures outlined in the College of Western Idaho's Student Handbook. It is the student's responsibility to read and understand the CWI Student Handbook. Students taking on campus or online courses may be exposed to discussions, readings, and visual material of a mature nature and will be expected to conform to the same performance standards as any other college student as set forth in course outlines and syllabi.

DUAL CREDIT PAYMENT AGREEMENT

By signing at the bottom of this page, you acknowledge that you have read, understand, and agree to the terms outlined below.

Personally responsible – I understand that I am registering for these courses and am responsible for tuition and other fees associated with these courses, as well as any other obligations that become owed to the College. I must follow the add/drop and withdrawal procedures of the College as outlined in the CWI Dual Credit Registration Packet for the semester of the registration request. Non-attendance or non-completion of a course does not relieve me of my charges.

Fast Forward - Fast Forward does not cover the cost of textbooks or additional course fees. It can only be used to cover Dual Credit tuition up to \$75 per credit.

Failure to Pay – I understand that if my account becomes delinquent (which may include but is not limited to, tuition and other fees associated with the courses, Fast Forward, student activity fees, and other campus and college fees), I will be liable for and agree to pay the College of Western Idaho all costs and expenses incurred by the College in seeking collection of the delinquent obligations, including but not limited to fees and other costs charged by third parties, such as reasonable attorney fees and costs. Further, I understand that the College of Western Idaho may refer my delinquent account to a third party collection agency. If that occurs, I agree to pay any fees and costs assessed by the collection agency, which may include a fee calculated on a percentage not to exceed 33% of the outstanding delinquency.

Cosigner (REQUIRED FOR STUDENTS UNDER 18) - The undersigned cosigner, often the parent or legal guardian, to the Dual Credit Payment Agreement (above) hereby agrees to be bound to all terms and conditions stated within the aforementioned Dual Credit Payment Agreement. The undersigned further acknowledges and agrees that, by signing this document, I am personally responsible for all amounts owed in accordance with this agreement.

Drop for Nonpayment – I understand and agree that if I fail to make any payment prior to the payment deadline, a \$50 late fee will be applied to my account and I **may** be dropped for non-payment after 5pm on the drop deadline. **Being dropped for non-payment is not a guarantee and will not replace my requirement to submit an Add/Drop Form to the Dual Credit Office for any course I intend to drop.** If you are dropped for non-payment, no grades or official academic transcripts will be awarded. Students seeking reinstatement after being dropped for non-payment will be charged a reinstatement fee of \$10 per credit up to \$120.

Holds – In the event of default, in addition to any other legal or equitable remedy allowed by law, which CWI hereby expressly retains, CWI reserves the right to withhold official academic transcripts, grades, diplomas, certificates, registration for subsequent semesters, payroll checks, or any other services not specifically listed herein.

Dropping a Course/ Withdrawal - I understand that if I choose to drop a course after signing this agreement, I am entitled to a 100% refund of the tuition if I do so **PRIOR** to the census date published in the official academic calendar for courses taken on-campus or online. For dual credit courses being taught within a high school location, this must be completed **PRIOR** to the drop and refund deadline given in the CWI Dual Credit Registration Packet. If I withdraw from a course after the drop and refund deadline, I will be held responsible for the full tuition and fees related to that course.

Authorization - I will inform CWI within ten (10) days of any changes in my home address, phone number, or status as a student at CWI. I hereby authorize the College of Western Idaho and its respective agents and contractors to contact me regarding my financial aid and/or student account, including but not limited to any balances that are becoming due or for delinquencies that are owed the College, at the current or any future number that I provide for my cellular phone or other wireless device, using automated telephone dialing equipment or artificial or pre-recorded voice or text messages, or otherwise.

Grades

Dual credit students are held to the same course content standards and standards of achievement as those expected of students in post-secondary courses. Dual credit students are assessed using the same methods (e.g. papers, portfolios, quizzes, labs, etc.) as their on-campus counterparts. Postsecondary courses administered through the Dual Credit program reflect the pedagogical, theoretical, and philosophical orientation of the sponsoring faculty and/or academic department at CWI. Any grade appeals follow the policies described in the CWI Catalog. Students may view their grades through the myCWI student portal. If you are receiving high school credit your school may require an official transcript as record of your grade and credit hours. Without a Dual Credit Student Records Release & Consent Form on file, the institution will not release academic information to parents. Please be aware that your grade does go on your permanent academic transcript.

Drop and Withdrawal Procedures

Dual credit students can only drop/withdraw from courses by submitting an Add/Drop form directly to the CWI Dual Credit Office.

Being dropped from a course for non-payment is not a guarantee.

Students taking Dual Credit courses at a high school campus will have different drop and withdrawal deadlines than course taken on campus or online. Please review the included CWI Student Checklist for additional information. **Deadlines are published in the official academic calendar each semester for on campus and online courses and within this packet for courses offered at high schools.** Students dropping courses prior to the drop deadline are entitled to 100 percent refunds of tuition and fees. A dropped course does not generate a permanent academic record. All class drops must be officially recorded by the College by completing an Add/Drop form and submitting it to the Dual Credit Office. Classes may NOT be dropped by telephone or e-mail.

Failing to drop by this method may result in an outstanding debt to the College as well as a permanent academic transcript record with a grade of "F". Once the drop deadline has passed, students may withdraw from courses or completely withdraw from all courses taken on campus or online that are a full semester in length through Friday of the twelfth week of class for fall and spring semesters or Friday of the sixth week of class for the summer semester; courses offered at the high school will have until the withdrawal deadline provided in this packet. **A withdrawn course generates a permanent academic transcript record with a grade of "W". This is considered an unsuccessful attempt and can have impact on a student's financial aid eligibility.** Students who withdraw from courses after the census date are NOT entitled to refunds and the full balance owed remains due and payable to CWI.

Payment Policies

1. Students will be charged the \$65 per credit tuition rate as established by the State Board of Education Council on Academic Affairs and Programs (CAAP) plus any additional online or lab fees associated with the courses for which they enroll.
2. Books and materials are the responsibility of the student.
3. Students who do not make payment in full by the appropriate deadline will be charged a \$50 late fee and may be dropped from courses for nonpayment.
4. Payment may be made online via myCWI, at any of the CWI One Stop Student Services locations, or by mail:
College of Western Idaho
Student Accounts MS 1000,
PO Box 3010, Nampa, ID 83653
5. Students, and their cosigner if required, will be bound by the "Dual Credit Payment Agreement" that appears on the back page of the Dual Credit Registration Form included in this packet.

Official Transcripts

Order official transcripts online at www.studentclearinghouse.org. Please make sure to request these transcripts from the College of Western Idaho. Requests received without the appropriate fees will NOT be processed. Official CWI transcripts will not be released if there are HOLDS (financial or other) on the student's account. Until financial obligations are cleared by the student (or stayed by bankruptcy proceedings or discharged in bankruptcy) CWI will not issue official transcripts. Students have a right to review the records and to request a hearing if they believe that no debt is owed or the amount of debt is incorrect. CWI will not issue transcripts of work completed at other institutions, students need to order directly from the original source.
