

# OtterBound High School Schedule Worksheet

## Directions:

- For your current and all future semesters through high school graduation, list all classes you are taking or plan to take **at your high school or through IDLA**. Do not list classes being taken directly online or on-campus through CWI.
- For Dual Credit classes: You must include:
  - The college offering the credit
  - The subject and course number (example: CWI ENGL 101)
- For year-long classes: List them under both the Fall and Spring semesters

| Freshman Year                      |                                    |                          |
|------------------------------------|------------------------------------|--------------------------|
| Fall                               | Spring                             | Summer                   |
