### Don't Sabotage Your Career

#### Connie Miller

President/CEO  
Icon Credit Union

Miller has over 25 years of executive level leadership experience, including over 11 years as President/CEO of Icon Credit Union, a \$290 million financial institution which ranks in the top two percent of healthiest credit unions in the nation, and recognized as one of Idaho's Best Places to Work the past several years.

She has recently released her book, "Don't Sabotage Your Career," and she'll share why education and knowledge is not enough to grow your career. You will learn how avoiding pivotal mistakes will pay off with great dividends. You will be one of the first to get a sneak peek of her life-changing book content.
