

# CWI's Raspberry Pi Summer Camp

## MAKE NEW FRIENDS & LEARN NEW SKILLS

Join College of Western Idaho (CWI) for our Raspberry Pi Summer Camp! The week-long event is aimed at high school students, and will be focused on teaching the basics of computing and cybersecurity through hands-on experience using Raspberry Pi's.

July 24 – 28

9 a.m. – 3 p.m.

*Ada County Center Pintail Building (APIN)*

**Register:** [cwi.edu/summercamps](https://cwi.edu/summercamps)

**Contact** Sara Hoyt, Cyber Defense Center Director
