Cheryl Wright

COMMENCEMENT SPEAKER

THE HONORABLE SCOTT BEDKE

Scott Bedke was elected Idaho's 44th Lieutenant Governor, taking office in January 2023. An Idaho native and 4th-generation cattle rancher, Scott graduated from Oakley High School and earned a Bachelor of Science in Finance from Brigham Young University.

His public service began at the local level with election to the Oakley City Council. In 2000, Scott was elected to the Idaho House of Representatives, where he represented District 27 for 11 terms. His time included serving on key committees including Joint Finance & Appropriations, Revenue & Taxation, Resources & Conservation, and Transportation & Defense.

In 2012, he was elected Speaker of the House, a role he held with such sensibility and civility that he became the longest-serving Speaker in Idaho history. Scott is proud to have been involved directly in setting policies that make Idaho what it is today and is committed to limited government, a quality education for every student, and a plan for our state's water supply.

STUDENT SPEAKER

ERIN B. HUFF

Erin Huff was born and raised in Warrenton, Virginia, and graduated from Culpeper County High School. She started college at Laurel Ridge Community College in Virginia before transferring to CWI, where she spent the past three years continuing her education.

Her time at CWI has been a meaningful experience, shaped by supportive faculty and strong campus connections. During her time with ASCWI, she helped navigate significant organizational changes while remaining focused on advocating for students' needs.

Erin plans to transfer to Boise State University to continue her Social Work degree. While she is excited for this next chapter, it is bittersweet to leave behind the relationships she has built.

DEGREES & CERTIFICATES

ASSOCIATE OF ARTS (AA) DEGREE

Designed to transfer to a four-year institution, the Associate of Arts degree requires the successful completion of at least 60 credit hours.

ASSOCIATE OF SCIENCE (AS) DEGREE

Designed to transfer to a four-year institution the Associate of Science degree requires the successful completion of at least 60 credit hours in a course of study with additional emphasis on science.

ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE

The Associate of Applied Science degree requires the successful completion of at least 60 credit hours of both General Education and Career and Technical Education coursework.

ASSOCIATE OF ENGINEERING (AE) DEGREE

The Associate of Engineering degree requires the successful completion of at least 60 credit hours in a course of study focusing on foundational math and science principles related to engineering.

ADVANCED TECHNICAL CERTIFICATE (ATC)

The Advanced Technical Certificate requires the successful completion of at least 52 credit hours of both General Education and Career and Technical Education coursework.

INTERMEDIATE TECHNICAL CERTIFICATE (ITC)

The Intermediate Technical Certificate requires the successful completion of at least 30 credit hours of both General Education coursework and Career and Technical Education coursework.

BASIC TECHNICAL CERTIFICATE (BTC)

The Basic Technical Certificate requires the successful completion of at least eight (8) credit hours of Career and Technical Education coursework.

ACADEMIC CERTIFICATE (AC)

The Academic Certificate requires the successful completion of at least seven (7) credit hours of coursework.

SPECIALIZED CERTIFICATE (SC)

The Specialized Certificate requires fewer than 60 credit hours and offers an industry-validated certification intended to develop new skills and/or upgrade existing skills in an occupation.

APPRENTICESHIP

The Applied Technology and Apprenticeship program requires the successful completion of a four-year course of study. The program integrates registered apprenticeship training in Electrical, HVAC, or Plumbing with related technical instruction, combining paid, hands-on experience with classroom learning. This comprehensive approach prepares graduates for journeyman-level careers with in-demand technical and professional skills in high-demand trades. The program may be combined with general education coursework toward completion of an Associate of Applied Science degree.

GENERAL EDUCATIONAL DEVELOPMENT (GED)

The GED® test assesses academic skills and knowledge typically developed in a four-year high school education program.

GRADUATION REGALIA GUIDE

Graduates' academic achievements are recognized by the following adornments:

HONORARY CORDS

Honors (Summa Cum Laude, Magna Cum Laude, & Cum Laude) Gold
Military Service Members & Veterans Red/White/Blue

SCHOOL CORDS

Arts & Humanities White
Health Forest Green
Industry, Engineering, & Trades Bronze
Science, Technology, & Math Deep Orange
Social Sciences & Public Affairs Peacock
Apprenticeship Black/Silver

STOLES

Appreciation Stole Green/White
ASCWI Teal/White
Honors Program Silver/Purple

TASSELS

Degree or Certificate Teal

GRADUATION WITH ACADEMIC HONORS

Degree candidates who have demonstrated exceptional academic performance with a minimum grade point average of 3.50 are academically distinguished at the commencement ceremony. The College further distinguishes between three levels of honors by specific grade point averages: Cum Laude for a grade point average between 3.50 and 3.69, Magna Cum Laude for a grade point average between 3.70 and 3.89, and Summa Cum Laude for a grade point average of 3.90 and higher. For the commencement ceremony, honors are based on the cumulative grade point average as of the fall semester. Final honors are based on graduates' final grade point averages after their final term of academic course work and are printed on the student diploma and transcript. Final honors designations may differ from commencement honors.

FINAL DEGREE EVALUATION

The listing of graduates, degrees, and academic honors in this program is preliminary and subject to final degree requirement evaluation. The posting of satisfactory completion of all degree requirements on the official record in the Registrar's office is the official record of entitlement to a degree.

College of Western Idaho (CWI) is accredited through the Northwest Commission on Colleges and Universities (NWCCU). The NWCCU is a regional postsecondary accrediting agency recognized by the U.S. Department of Education and the Council for Higher Education Accreditation (CHEA).
