Students should consult the degree plan of their selected major for help in choosing appropriate general education courses, as many degrees require specific courses.

Footnotes:

1 Three of the 36 credits need to come from a course fulfilling the “Ethical Reasoning” requirements. This course should also fulfill either a Ways of Knowing course or a Global Perspectives course. Please refer to the 2017-18 CWI Catalog for a list of courses that will complete the “Ethical Reasoning” requirement.

- *To ensure efficient degree planning, students who intend to transfer to a four-year institution should review the lower-division degree requirements of the institution they plan to attend.* •
