

OPEN TO THE PUBLIC! FREE TO ATTEND!

MADE HERE

EXPO & JOB FAIR

Wednesday, October 17
3:00 pm - 6:00 pm
at the Ford Idaho Center

If you like watching "How It's Made," come see what's **MADE HERE** by Idaho companies!

Celebrate National MFG Day and Idaho Manufacturing Month with a FREE Expo at the Ford Idaho Center. The event includes **more than 60 interactive manufacturing displays** along with an on-the-spot Job Fair.

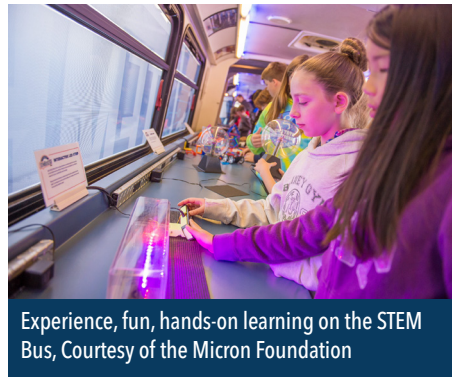

Parents, bring your students!

Help them find their fit in manufacturing.

From engineers to production technicians, enlighten your kids and introduce them to career options and potential employers. Give your students the advantage of seeing, first-hand, the opportunities in modern manufacturing!

Expo Highlights include:

- STEM Bus USA interactive exhibit
- College of Southern Idaho Mobile Cheesemaking Lab and soft serve machine
- Idaho Power High Voltage Demonstration Board to illustrate the properties of electricity
- Interactive VR and CAT equipment simulator
- Battling 'bots by FIRST Robotics groups
- Food samples from various food manufacturers
- Drone demos by Black Sage Tech
- Robotics demonstrations by House of Design, Versabuilt, Slant Concepts and more!

Experience, fun, hands-on learning on the STEM Bus, Courtesy of the Micron Foundation

Speak to the owners and creators of Idaho's most innovative manufacturing companies
