

“Security Threats Facing the Trump Administration”

Guest Speaker: Dr. Isaac Castellano

FIVE GREAT Reasons to Attend!

- Are you interested in Political Science and government?
- Want to understand more about terrorism?
- Where are the biggest threats the US around the globe?
- What are some possible solutions to America’s security threats?
- What are the dangers of these security threats?

Guest Speaker: Dr. Isaac Castellano of Boise State University

Dr. Castellano is a recognized expert on foreign policy and national security and will be speaking on several national security threats the Trump Administration will be facing. With the recent crisis in Syria, on the Korean Peninsula, and the constant threat of terrorism, Dr. Castellano’s lecture will provide context for understanding the growing and varied national security threats facing President Trump and the American people.

Date: Wednesday, April 19th

Time: 6:00 PM-7:00 PM

Location: Nampa Campus, 2nd Floor
