

Introducing the New Online Catalog

CWI's Online Catalog is Live!

This October, CWI is excited to announce the launch of our new online catalog which brings numerous benefits for the entire CWI community. Easily **search** the catalog. View your **Program Requirements** and **Plan of Study**. Quickly locate course descriptions, either through your degree requirements listing or **Courses A-Z**. You can even access links to pre- and corequisite courses from within a course description! Previous CWI catalogs can be accessed through the **Catalog Archive** page.

PHYS 111 General Physics 1 (3 Credits, Fall) This course includes a general study of kinematics, Newton's Laws of Motion, universal gravitation, work, mechanical energy, motion in a plane, momentum, hydrostatics, SHM, wave motion, sound, introductory thermodynamics, and heat transfer with applications to life sciences. PREREQ: MATH 143 and MATH 144 or MATH 147 (or higher). COREQ: PHYS 111L . (This CWI course meets Idaho State Board GEM competency requirements in GEM 4 - Scientific Ways of Knowing.).	
PHYS 111	General Microbiology
	General Microbiology
	Introduction to Cell B
	Introduction to Cell B
	Introduction to Pharm

	Genetics Lab
	General Physics 1 1

FOUR GREAT Reasons to Check It Out!

- Improved efficiency and usability – access program requirements, plans of study, and course descriptions... all with just a few clicks!
- Ability to print to PDF – print a single page or the entire catalog! The choice is yours.
- Improved accessibility – available to view on your computer, tablet, or mobile device. Access important college info anytime, anywhere!
- Easier course planning – view course descriptions in pop-up bubbles directly from the degree requirements listings.

Date: Wednesday, October 4, 2017
