If you are pursuing a career in business, the accredited Business Associates of Arts Degree at CWI is a great starting point. In addition, this AA degree meets general education requirements to transfer to any Idaho public university. The program is designed to introduce you to the core business courses and provide skills in accounting, business decision-making, software, and communication.

MISSION

The Business program develops 21st century business professionals that are adaptable, ethical problem solvers who utilize networking and collaboration to achieve their career and business goals.

WHY THIS PROGRAM

Business majors are in demand. At CWI, students learn how to think, adapt, and do the things that will prepare them for business or completing a four-year business degree. Network and complete projects with real businesses while in class. Our students that transfer have historically been very successful in completing a four-year degree and acquiring leadership roles within their program.

CAREER INFORMATION

While an Associate of Arts in Business may improve the career prospects of job candidates in some fields, the current job market places a premium on four-year degrees from accredited business colleges and universities. The College of Western Idaho has agreements in place with many of Idaho's universities to help students transfer credits and complete four-year degrees.
