MISSION

Workforce Development at the College of Western Idaho (CWI) provides you high-quality, short-term training to boost your job skills, acquire new career skills, and earn the certificates you need. Take as many classes as you want in our short-term credit free offerings, with no applications, no transcripts, and no hassle. Just sign up and watch your career take off. Classes are offered at a variety of locations throughout western Idaho and are taught by knowledgeable professionals with years of experience in their subject area.

WHY THIS PROGRAM

This online distance learning course allows those currently employed in foodservice to be credentialed as a Certified Dietary Manager, Certified Food Protection Professional (CDM, CFPP.) Once course is completed, you will have achieved competencies in three key areas: Human Resource Management, Nutrition Fundamentals & Medical Nutrition Therapy, Managing Foodservice Operations, Food Safety & Sanitation.

DEGREES AND CERTIFICATES

Certificate of Completion, 12 Months

Delivery Formats: Online

COSTS

- Tuition + Preceptor Services: \$1399
- Does not include: Convention fees or textbook

** Fees paid are non-refundable and non-transferable once student begins first training module. Students must finish the course within 2 years of registration or re-enroll in the course paying full tuition (\$899.) Students that must retake a module during the first 2 years of enrollment, will be charged a \$300 fee to retake module.*

CAREER INFORMATION

Upon successful completion of the credentialing exam you will be able to use Certified Dietary Manager (CDM) ,Certified Food Protection Professional (CFPP) credentials after your name. You will be nationally recognized as an expert at managing foodservice operations and insuring food safety. Responsibilities may include implementation of menus, foodservice purchasing, and food preparation. You may also be required to apply nutrition principles, document nutrition information, manage work teams, and much more.
