

Flagging for Traffic Control

<https://cwi.edu/program/flagging-traffic-control>

Flaggers are in high demand in today's job market. The Flagging for Traffic Control course through CWI will provide you the opportunity to train and receive the certification necessary for your current job or if you are getting started.

Your certification training will prepare you to:

- Meet Idaho State Department of Transportation requirements
- Operate in a safe manner
- Direct traffic to protect highway construction workforce
- Work in short and long term positions

If your job takes you to neighboring states, the certification you receive through CWI is also good in Washington, Oregon, Montana, and Utah.

Courses are held during the Spring and Fall of each year, but if you or your organization are in need of training outside these scheduled times, contact us and we can discuss possible options.
