

# Tutoring Services

## Study Skills Workshop

*Achieve More*

This workshop will focus on the technical components for the classroom. Discussion topics will include **Blackboard Navigation, Office 365 Applications, My CWI Links, Cloud Storage, Electronic Calendar, Mobile Device Access**, and a short introduction to some basic **Microsoft Word Functions**. Tutors with extensive knowledge on the use of these technologies will be on hand to provide assistance. Students enrolled in regular, hybrid, and especially online courses are encouraged to attend.
