

Introduction to Swift® Programming

ENGLISH AS A SECOND LANGUAGE (ESL)

CLASSES BEGIN
JUNE 14 – AUG. 11, 2022

What will I learn?

Learn Swift® programming language to create iOS® (mobile) applications, and explore programming and IT career pathways. No coding experience required!

What is required to attend?

- Students must have intermediate computer skills.
- Students will complete homework.
- Students will need to go to office hours.
- Students do NOT need to bring a computer — a Macbook will be available to borrow.
- Students must have internet access at home.

When is class?

Tuesdays (in-person) 11 a.m. – 1 p.m.

and

Thursdays (on Zoom) 11 a.m. – 1 p.m.

» Students who successfully complete this class can earn a scholarship to complete the Swift Programming Certificate at CWI.

Classes may have minimum English and digital literacy requirements.

CLASS IS FREE!
