

Immunizations & CPR Certification Requirements Form

PLEASE NOTE: Review carefully each requirement guideline to understand what is needed to become compliant for that requirement.

MMR - You must submit documentation of A OR B:

A) 2 doses of the MMR Vaccine. After the first dose, you will be compliant for 1 month to allow time to receive the second dose.

B) Positive titers for Measles, Mumps, and Rubella, received at least six weeks after your last dose. You must submit the labwork from your titer. If any titer is not immune then you must submit two doses dated after the titer, received at least 28 days apart.

**This category is due on by August 12.

VARICELLA – You must submit A OR B OR C:

A) 2 doses of the Varicella Vaccine.

B) Positive Varicella Titer. You must submit the lab work from your titer. If your titer is not immune then you must submit two doses dated after the titer.

C) Proof of having had Varicella.

**This category is due on by August 12.

HEPATITIS B – You must submit A OR B:

A) 3 doses of the Hepatitis B Vaccine or 2 doses of the Hepatitis B(Heplisav) Vaccine. After the first dose you will be compliant for 1 month to allow time to receive the second dose. After the second dose you will be compliant for 3 months to allow time to receive the third dose.

B) Positive Hepatitis B Titer. You must submit the labwork from your titer. If your titer is not immune then you must submit repeat doses and a positive repeat titer.

**This category is due on by August 12.

TUBERCULOSIS – If you test negative for tuberculin exposure, you must submit a PPD or QuantiFERON/T-Spot each year.

If you test positive for tuberculin exposure, you must submit a negative Chest X-Ray each year.

**This category is due on by August 12.

TDAP – You must submit a Tdap from within the last 10 years.

**This category is due on by August 12.

INFULENZA – You must receive a flu shot between September 1 and November 1 each year.

Flu shots received before September 1st or after November 1st will not be accepted.

**This category is due on November 1st *annually*.
