

PRACTICAL NURSING (PNUR) APPLICATION

One Stop Student Services - 208.562.3000 PO Box 3010 - Nampa, ID 83653 - cwi.edu

This form is used to apply for admission to the Practical Nursing Program. Students interested in the program must first apply for admission to the College. Admission to the College does not guarantee admission to the Practical Nursing certificate program. Each spring semester, twenty-four students are admitted to the program. If not admitted, applicants must reapply each year. We encourage students to wait until completing the Practical Nursing program before applying to the Professional Nursing program.

Multiple your Cumulative GPA by 2 =					

STEP 3 Scoring: Possible Points (8):

A student's GPA is calculated based on this equation: Total number of quality/grade points

- Total namber of quality/grade poin
- ÷ Total number of credits taken
- = GPA

STEP 4: VERIFY THE COMPLETION OF THE FOLLOWING COURSES WITH A "C" OR HIGHER

Completion of the following courses is not required to apply to the Practical Nursing Program. However, program admission is competitive so completion of these courses may increase your ranking points. Students currently enrolled in pre-requisite courses may apply to the Practical Nursing Program. If students apply with coursework currently "in-progress" the current grade will be used for scoring on the application. All "in progress" courses must be included on the course credit verification form in order to satisfy this requirement. Students with "in progress" coursework may be tentatively accepted into the Practical Nursing Program. Final grades for "in-progress" courses will be verified upon conclusion of the fall semester. If there is a substantial change in the student's "in progress" course score or if the student does not complete a course, the student's tentative acceptance will be rescinded.
